Opening

The Chair Geometry / Algebra (Prof. Ruth Kellerhals) at the Department of Mathematics invites applications for one

Postdoctoral Position in Geometry

starting 1st August 2011, or at the earliest convenience.

Possible research areas are low dimensional geometry and topology, real or complex hyperbolic geometry, arithmetic groups, Coxeter groups, and related topics.

Send the application before June 30, 2011, together with

- letter of motivation
- curriculum vitae
- list of publications
- about 3 pages of research proposal
- 2 letters of recommendation

to Prof. Ruth Kellerhals, either by email or by surface mail.
