

PROMYS Europe

A partnership of PROMYS, Wadham College and the Mathematical Institute at the University of Oxford, and the Clay Mathematics Institute

10 July – 20 August 2022 at Wadham College, Oxford

www.promys-europe.org

**Six weeks of challenging and stimulating mathematical exploration,
for mathematically ambitious school students aged 16+
from across Europe**

"The best things about participating in PROMYS Europe were the people I met, the interesting problems I solved, and the amazing lectures!"... "I personally think that it has changed my way of thinking...to proactively asking questions and thinking deeply about those questions"... "it gave a real insight into the work of "real" mathematicians and gave me further ideas about how I want my career to look"

– Students, PROMYS Europe 2021

"The programme offers pre-university students from across Europe an extraordinary opportunity to engage with deep mathematical ideas" – CMI

Selection is needs-blind and based on merit alone. Partial or full financial aid is available for those who need it.

The programme is dedicated to the principle that no one should be unable to attend for financial reasons.
