**Four weeks of challenging and stimulating mathematical exploration, for mathematically ambitious school students aged 16+ from across Europe**

*“Feeling myself become a more inquisitive and rigorous mathematician will make PROMYS Europe incredibly valuable to me in the future” ... “PROMYS Europe is an amazing experience, which gives you the opportunity to explore Mathematics in a unique way” ... “It was the journey of discovering these things yourself that truly made it enjoyable.”* – Students, PROMYS Europe 2019

*“The programme offers pre-university students from across Europe an extraordinary opportunity to engage with deep mathematical ideas”* – CMI

Selection is needs-blind and based on merit alone. Partial or full financial aid is available for those who need it. The programme is dedicated to the principle that no one should be unable to attend for financial reasons.
