The Department of Mathematics (www.math.ethz.ch) at ETH Zurich invites applications for up to four professorships of Mathematics, with a focus on any area within pure mathematics, including, but not limited to algebra, geometry, topology, mathematical physics, analysis, and probability.

Successful candidates should demonstrate an outstanding research record and a proven ability to direct research work of highest quality. Willingness to participate in collaborative work both within and outside the school is expected. The new professor will be responsible, together with other members of the department, for teaching undergraduate (German or English) and graduate level courses (English) for students of mathematics, natural sciences, and engineering.

ETH Zurich is an equal opportunity and family-friendly employer, values diversity, and is responsive to the needs of dual-career couples.

Please apply online: www.facultyaffairs.ethz.ch

Applications should include a curriculum vitae, a list of publications and of projects, a statement of future research and teaching interests, a description of the leadership philosophy, and a description of the three most important achievements. The letter of application should be addressed to the President of ETH Zurich, Prof. Dr. Joël Mesot. The closing date for applications is 15 August 2023.
