

## Professor of Mathematics and Physics

→ The Department of Mathematics ([www.math.ethz.ch](http://www.math.ethz.ch)) and the Department of Physics ([www.phys.ethz.ch](http://www.phys.ethz.ch)) at ETH Zurich invites applications for the above-mentioned position. The new professor will be based in the Department of Mathematics and associated to the Department of Physics.

→ Applicants should demonstrate an outstanding research record and a proven ability to direct research work of high quality. The successful candidate should have a strong background and a world-wide reputation in mathematical physics as well as excellent teaching skills. Teaching responsibilities will mainly involve undergraduate (German or English) and graduate courses (English) for students in mathematics, physics and engineering.

→ **Please apply online:**  
**[www.facultyaffairs.ethz.ch](http://www.facultyaffairs.ethz.ch)**

→ Applications should include a curriculum vitae, a list of publications, a statement of future research and teaching interests, and a description of the three most important achievements. The letter of application should be addressed **to the President of ETH Zurich, Prof. Dr. Joël Mesot. The closing date for applications is 15 September 2019.** ETH Zurich is an equal opportunity and family friendly employer and is responsive to the needs of dual career couples. We specifically encourage women to apply.
